PHOTO RELEASE FORM

The Community Relations Committee of Ottawa Christian School would like to use photographs of our students in promotional material. It's a good way for parents interested in our school to see our students in action - working at their desks, playing on the play structure, singing in the choir, playing in the band, etc. We would use these pictures on our promotional board, which we set up when we visit churches, host Education Week, or at conferences promoting Christian Education. We would also use them in promotional brochures and on our Website. No names will be used with the photos. We need your permission to use a photo of your child for promotional purposes. Without your consent, the photo will not be used.

Please sign the form below and return it to OCS. These forms will be kept in our school office.
