Donations Needed for Merit Shop

What is merit shop? The ACE program has a system in which students earn merit rewards that are then traded in at the merit shop for items that will motivate the students to keep working hard and achieving their goals. Merits are given for scores on PACE tests, doing responsibilities, returning parent envelopes signed, etc. Why donate? The teachers donate, but who better to donate items than the parents who know their child and their child's peers likes and dislikes. We will also take donations in the way of gift cards, Canadian Tire Money, cash, etc. Dollar store type items are very good. For the younger children toys from restaurants such as McDonald's are very good as well.
